OCTOBER 2017

This is a reminder that the old £1 coins will cease to be legal tender on the 15th October - so now is the time to empty piggy-banks, go through pockets and handbags - and down the back of the settee to find those old £1 coins and spend them!

The year is fast disappearing and you will find details of an Apple & Pumpkin Day at Westown Farm on the 22nd October and Fireworks on the 4th November organised by the Twinning Association.

Items for the November Ide Times should be sent to me, brendaspivey123@btinternet.com by the 20th October.

Change of Parish Clerk:

I am pleased to advise you that on Monday 9th October Mrs Mel Liversage takes over from me as Parish Clerk. I have had an interesting five years as clerk and have learnt a lot about the workings of the Parish. The most rewarding side of the job has been seeing the benefits to the village from the receipt of grants and fundraising projects, e.g. the Play Area and the Defibrillator.

Mel has a wide range of experience and organisational skills and I wish her well in the role.

MEMORY WALK FOR ALZHEIMERS

A big thank you to everyone who kindly sponsored our Memory Walk for Alzheimers.

The day dawned very wet – and stayed that way! Ann Boyce and I walked (more like paddled) our way round accompanied by Peter Satterly, We raised £300 in total, with gift aid adding another £55, so it was definitely worth getting a soaking.

Thank you to all of you for your kind donations.

Susanna Morgans

IDE COMMUNITY SHOP AND POST OFFICE

Welcome home to all the Ide-ites who have been away from the village on holiday. It is back to work and school for most of us now with the best of the summer behind us but hopefully some more pleasant weather to enjoy before Autumn properly sets in.

One thing that is always sad about the passing of summer is seeing the last of the strawberries and raspberries supplied to our shop by Balls Farm. Working in the shop is very difficult while there are fresh strawberries on the counter, they have such a delicious aroma and it takes a lot of self control to resist them. They should still be on sale for a while yet, so get them while you can.

You may have noticed that we are now selling our fruit and veg without all the plastic packaging. It was easier for us to order and store that way but many people, including us, didn't like all the packaging that all has to be thrown away so we have gone back to selling it loose. Hopefully you will have noticed the new chiller unit which we have bought to hold the fruit and veg that really doesn't do well without refrigeration. You will find salad leaves, spring onions, cucumbers, cabbages etc. in there and we hope that they will keep better to avoid waste. Don't forget that we have fruit and veg deliveries early every day (except Sunday) so if there is anything you would like for a particular day just place an order and collect the following day.

Tickets for this year's Firework Display in The Poachers garden will be on sale in the shop towards the end of this month. Always very good value for a fantastic display with good grub, drink and company, but you do need a ticket.

It is difficult to ignore the huge growth in delivery vans visiting the village from the larger stores. Who could have foreseen that not only would you be able to have your groceries delivered to your door - nothing new there - but that you would also be able to order them online. This means that you need never leave your home to fill your fridge and larder, but that also means that you miss out on the experience of being part of the community in a little local store like our shop. This is where those of us who no longer meet at the school gate can make sure that people in our community who need help are not forgotten. Despite the huge onslaught of online shopping and delivery as well as the discount stores, our little shop continues to thrive and provide more than just groceries for our community, and long may it continue. Thank you to everyone who continues to support Ide Community shop and if you would like to offer even more support by volunteering then you would be very welcome.

JUBILEE CLUB

The club met at Longdown on September 4th for Bingo. It was good to see members meeting up after our Summer break, with lots of chatter. Bert was our caller, Clive sold the cards and Tony was the runner, with the usual jokes and fun. A committee meeting was held following the meeting, with Brenda was co-opted to replace Mary who has moved into a Care Home. We missed Bill and Enid both of whom have had falls. Good wishes were given to Ken and Sheila on the occasion of their 62nd Wedding Anniversary, the bride was wearing a very pretty blue dress - congratulations to them both.

The 18th September saw a group of members setting off for Dartmoor. We stopped at Princetown for lunch, and some members took advantage of the nice afternoon to go off for a walk, while others enjoyed the Visitors Centre, where there were some strange characters dressed as Sherlock Holmes, prisoners and prison warders. Also I had a scary sensation of hairy hands on my shoulder! There were some interesting films about the moor and lots to be seen. From there we crossed the moor, enjoying the scenery and sheep, ponies and some Highland cattle to Moretonhampstead experiencing tight squeezes as our excellent driver Jimmy Powell negotiated the bus past other vehicles. We stopped at Dunsford for tea at the Walled Garden. The afternoon was warm enough to sit out and enjoy a cream tea.

We nearly had to leave Jean behind with her ball and chain!

Paint Job:

We still need a few more volunteers to help paint the inside of the chapel. It is in real need of a fresh coat and is used by so many different people in Ide. If you can help in any way, doing as much or as little as you are able, then please get in touch asap on 07736449790.

Thank you in advance – this will really help us.

Download and Wifi:

Last month we had a wonderful 26 kids come to Download! Children and parents are keen to get Wifi set up at the HUB so we are taking your comments on board and doing so. Our next session is 13th Oct. Any KS2 and KS3 kids are welcome to join us.

All-Age Service:

This month sees the start of our 2nd service a month. We encourage you to come and be part of our family, growing in relationship with each other and God. We meet in the chapel twice a month for the All-Age service (and every Sunday for traditional services), but being family is much more than that – we support, value and encourage each other on a daily basis. We seek to grow spiritually – knowing that Jesus has promised us wisdom, peace, hope and joy as we get to know Him better.

If you are looking for that 'missing piece' in your life, or a purpose, or answers, try Jesus. Come along and chat to us or try Alpha...

Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe, and everyone's welcome. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

The next Alpha course starts on **3rd Oct**, weekly every Tues for 10/11 weeks. We will meet at Fi and Mark's house at 3 The Hams 8-9:30pm. Although the course is progressive, each week is a stand-alone topic and so if you can't make it one week, don't worry.

Please contact Fi Field if you are interested or have any questions: 07736449790. mynameisfiona@hotmail.co.uk

IDE MEMORIAL HALL

Work on the Memorial Hall refurbishment started at the end of August with the renewal of the annex roof covering including a new skylight. This work was completed speedily and to a high standard by Neil Squires (who advertises on the back page of the Ide Times) and I can strongly recommend him to anyone needing roof repairs or renewals.

Teignbridge DC promptly paid for this part of the project so warm thanks to them and Ide PC who helped us get the money for the roof renewal.

Amber Coast, the main contractors, took over on 4th September and completely cleared the annex in a week ready for damp-proofing work the following week. Amber have made speedy progress this week; the toilet partition frames are up and electrical wiring is almost complete. The musty damp smell that has pervaded the Hall for years seems to have disappeared already! The plan is for completion 3 or 4 weeks into October.

We are most grateful to Viridor for their grant of £18,000, to Devon County Council for a grant of £10,500, to our Open Gardens Committee for £500 and to our Parish Council for an advance payment of rent of £500.

Even so we are working on a very tight budget and as you can imagine a few essential extra items have already crept in. It may be necessary to call for volunteers to apply paintwork to finish the job if the available funds run out, so willing helpers be prepared to step forward and watch this space.

IDE TWINNING ASSOCIATION - QUIZ NIGHTS

Greetings one and all. The summer passes, and the darker nights of the autumn and winter months are now upon us, which means that the institution that is The Ide Pub Quizzes gets under way.

There will be quizzes, at the jolly old Poachers Inn (thank you Tony), on the following Sunday evenings, 7.30pm start:

October 8th

October 29th

November 19th

And probably the 10th or possibly the 17th of December – this depends on whether anyone steps into my (size 8 and a half) shoes to run a Christmas quiz, as I am not.

The quizzes will continue the tradition of not being terribly serious and the quizmaster being easily swayed in some cases and wilfully stubborn in others. If you can't make them, please get your mum or dad to write a note excusing you.

DAVID HANSON - Sadly we have to report that David Hanson, who lived in Ide for a number of years, has died. He was a great supporter of the Cricket Club and was a friend to many in Ide and Exeter. He will be greatly missed and we send our sympathy to his wife, Jean, and to Sally and Peter.

Malawi 2017 by Oliver Jeffery

We went to Malawi for three weeks at the end of June to help the people out there with normal every day things that we in England take for granted. For the first few days I was helping out in the hospital, and during those few days, I got to see the difference in facilities compared to those in England. We gave them simple resources such as surgical robes and masks, and even bed sheets, so that the beds don't constantly get covered in blood. This was also to try and stop the spread of disease in the hospital.

In the next few days we re-plastered and painted classrooms for the secondary school so the children had the best opportunities to learn and be comfortable in their class rooms. We also

helped out at the orphanage, giving the unpaid workers there a well deserved rest, as they are there 24/7 to care for the kids who unfortunately have no parents, most probably because of diseases such as malaria, which is very common out there.

While I was there I met an 18 year old boy whose mum had just suffered a heart attack. She needed urgent medical care but that level of care was in another village; the family needed money for travel and medical treatment. I felt strongly that I needed to help, so I gave him 10,000 kwacha the equivalent of £10 for which they were very grateful.

During the last week of our trip we left Malawi and went on a safari in Zambia which was amazing. We got up early in the morning to see the sunrise and see all the animals early. We saw a wide range of animals including cheetahs, elephants and giraffes.

This trip really opened my eyes and made me feel how lucky I am to live in a country that has very good medical facilities, easily accessible schools and colleges, and fresh food and water. I have found that I used to take a lot of these things for granted, but now am very aware of how lucky I am to have all of these things, unlike the people out in Malawi.

I just wanted to say a huge thank you to everyone in Ide who supported me in my fundraising, it really was a trip of a lifetime.

LIZ AND DORA'S WEDDING

The Black and Bass families would like to thank the people of Ide for all their help with Liz and Dora's wedding over bank holiday weekend. We are very sorry about any noise and parking problems we caused. Having it in ours and the Poachers Garden was high risk but luckily we had lovely weather. We were even luckier and very grateful to have all your help, making yummy bread,

cakes, and puddings, help with putting up marquees, lending tables chairs, growing, picking and arranging beautiful sweet peas. Also providing accommodation for family and friends in your homes. Amazing! The Essex contingency could hardly believe how everyone mucked in with such good spirits. What a fantastic village, we could not have done it without all you help. Thank you so much

WEST TOWN FARM NEWS

I've spent this month trying to learn more about our orchards. It's amazing when you start looking into the history and also the varieties. We explored one of our orchards with an educational visit. The kids loved tasting straight from the tree. In fact I got my Dad in to lead the group and by the end the kids were howling by the trees...which got us thinking perhaps we should have a wassailing event here in January. An orchard-visiting wassail refers to an ancient custom of visiting orchards in cider-producing regions of England, reciting incantations and singing to the trees to promote a good harvest for the coming year. Sounds like a fun way to spend a day in January. Watch this space.

September time in the farm-yard we become overrun by apples and pumpkins. The whole team have been out harvesting. Our plum tree has made many a crumble. We've had 6 new calves so far this month, plus 4 cows who haven't yet dropped - they're HUGE and 2-3 weeks late. They seemed quite unfazed by it all, apart from when Helen and Andy checked up on them at midnight shining a torch at the rear end, but in fairness I'd get pretty annoyed with that.

Plus we'll find out the results from our two bulls. Have they both done the job? More on this next month. Duh duh duhhhhh.

We'll have fresh meat week starting on the 18th October. Beef, lamb and bacon. If you'd like to pre-order any cuts let me know by the 13th October.

This month we see the return of our favourite event - '**Apple and Pumpkin Day**' **22nd October- 11am-4pm**. Poco Drom, tractor trailer rides, apple pressing, storytelling, BBQ, cafe, basket weaving, seeing the animals, straw bale den, pizza oven and more... £3 per child, £4 per adult, £12 per family and under 3's free.
