

Ide Neighbourhood Plan Round Field

At the Parish Council meeting of 17th May 2017, we discussed Ide's Neighbourhood Plan in relation to the Round Field and the council resolved "that Round Field be designated as a Local Green Space and included under an additional Local Gap policy in the Ide Neighbourhood Plan. The Steering Group is now working to implement this resolution and we are hoping to present the Pre-Submission Plan by the end of July. Latest minutes can be viewed on the village website under Neighbourhood Plan.
