

Minutes of the Ide Neighbourhood Plan Steering Group held on 20/11/17.

Present. Nick Bradley, Chris Bishop, Roger Luscombe and Sue Cloke.

Apologies Peter Pattison

The meeting was held to complete the review of responses to the pre-consultation document that were not covered in the previous meeting on 15/11/17. These were mainly comments relating to the General and Context sections of the NP and from local respondents.

At Paul's request comments 15-39, 57, 58, 63 and 70 were discussed.

In some cases, text was altered, views noted and passed to the Parish Council if appropriate, and acknowledgements prepared to various respondents.

Chris had prepared a letter to the CPRE, as suggested in the last meeting, to strengthen our case for Round Field's inclusion in the "Gateway" Policy 07 and this was approved by the Steering Group with a few alterations.
