Ide Neighbourhood Plan

You may be aware that a Neighbourhood Plan for Ide is being drawn up. Following a well-attended “open day” at the Memorial Hall last year and good feed-back from the parishioners, we now wish to move the process on by consulting local businesses within the parish boundary. We have been thinking particularly about traffic management and parking, the preservation and use of open spaces, possible sites for development and we would welcome your input. You can respond by letter left at the Community Shop or we would be happy to meet with you if you have any plans or concerns that you wish to share with us.

Please contact Chris Bishop by email thegreatbear@btinternet.com or text **07971 918623** or any of the other members of the Steering Committee:- Peter Pattison, Sue Cloke and Roger Luscombe.

Many thanks,
Chris Bishop (On behalf of the Steering Committee.)
