MAY 2022

By the time you read this the Plant swap on the Village Green will have taken place. You may need all the plants you can get with the Open Gardens event coming up in June and the fact that Ide is being entered in the RHS SW Britain in Bloom Competition. Last year the village did very well and we all enjoyed the troughs and hanging baskets full of flowers. What with that and the Queen's Platinum Jubilee Celebration weekend in June, there is a lot to look forward to.

Articles for the June issue of the Ide Times should be sent to me Brenda Spivey at brendaspivey123@btinternet.com by the 20th May.

IDE COMMUNITY ORCHARD

By the time this edition is published the Orchard will be open for everyone to visit, walk in, have a picnic, and enjoy the view over the village. If you haven't found the Orchard yet, it's 50 metres up the High Street past the mini roundabout, on the right, opposite Pynes Farm. It's looking a picture with the trees in full blossom, and the grass cut. It has a character all its own and - at the risk of fancy - gives a sure sense of calm and beauty.

Our thanks to James Romain and Simon Topliss for their help with path cutting and fencing; and to Andy Bragg, and Mike and his tractor, for their hedging and grass cutting.

The Parish Council owns the freehold to the land; and now has the task of running it, through the Ide Community Orchard Management Group.

There's a notice on the gate setting out the guidelines for using the Orchard.

- * The Orchard is open every day of the year from dawn until dusk, but is closed from 10pm.
- * We will give lots of notice when access to all or parts of the Orchard may be restricted for maintenance, grazing or grass cutting.
- * You may walk your dog in the Orchard, but please exercise close control at all times and clean up after your dog, using the waste bin at the entrance to the Orchard.
- * Commercial dog walking is not allowed in the Orchard
- * The Orchard is not suitable or safe for cars or bikes.
- * **Please take your litter home with you.**

On Sunday 5 June at 12 noon, as part of the Queen's Platinum Jubilee celebrations, there will be a short but definitely "grand" opening ceremony, with a special tree planting, to mark the occasion. Anyone and everyone welcome.

WEIR MEADOW and NORTHERN FIELDS

We've had an encouraging first response to our application for permission to take a loan to meet the balance in funds [£152,282] required to purchase Weir Meadow and Northern Fields. We are now at the stage of providing further information to the Department for Levelling Up, Housing and Communities. We expect to hear the outcome by mid June.

In the meantime, the working group is preparing an application to the National Lottery Community Fund awards up to £10k for fencing and planting as per our planning permission; creating a footpath; signage; filling the hole at the entrance; levelling and seeding; and bird and mouse boxes. We will become eligible for this grant once we own the land. It is also taking expert advice on how best to utilise and let the Northern Fields once we own them.

REMOVAL of TREES and VEGETATION from the A30 / IDE VILLAGE ROAD BARRIER

The National Highways Authority have started to replace the tree and hedge planting along this strip, with more planned shortly.

PARKING ON THE PAVEMENTS at JUNCTION of FORE STREET WITH IDE VILLAGE ROAD

Additional planters have now been sited on the pavement at the entrance to the village. This is a safety measure to preserve the visual splay onto Ide Village Road when exiting Fore Street. All vehicle parking on the pavements at this junction is prohibited for safety reasons. The Parish Council will report illegal or unsafe parking at this junction to Devon Highways and the Police.

AGM

We are delighted to finally be able to invite everyone to the **Shop AGM & Social** after covid has stopped us holding it for the last few years. More details to follow nearer the time, but it will be on **Friday 1st July** at 7pm in the Huntsman's garden, by kind permission of Colin, who will be doing some veggie burgers, meat burgers, a veggie curry and meat curry specials to feed us on the night. It would be great if as many people as can could join us on the night after so long of not having this special evening.

Volunteers

Apologies I forgot to pass on that Liz Aldborough was another great asset to the shop team who we love having on board. Liz has done many shifts now and we enjoy working with her but she joined between one edition of Ide Times I had written and another, so slipped through the net when I came to do the next article. How I could forget to mention someone as wonderful as Liz I will never know.

Easter

It was a busy Easter in the shop with all the Easter Eggs selling out early on so we had to have two more deliveries of them, which also all sold out, as did all the Easter cards. Thank you to all the volunteers who covered the various holiday shifts over this time – we do appreciate you giving up your time off to help out.

We were delighted to work with the Macmillan Mighty Hikers on being the starting point for their Easter Egg Hunt – which was so well arranged and so much fun. It was good to see the children out and about looking for the clues in the lovely Easter Weather and helping a good cause in the process. We love working with other village groups on projects like this. As always we have had some lovely coloured in pictures from our wonderful younger shop customers which are on display in the shop.

We are always aware of the ever increasing food intolerances and dietary needs of our customers, and to this end are stocking a new range of gluten free baking mixes. The range include a cookie mix, a chocolate cake mix, a waffle mix and pancake mix – all made up the road in Somerset.

With holiday time fast approaching we will be losing volunteers as they go off on their jaunts. We have never missed opening the shop at any time we advertise as being open but it does get hard at times. Could you spare a few hours to help out even if once a month or as and when – we do not ask for a set commitment we are grateful for any help you can offer. As well as manning the till we are always looking for more people to help in other roles in shop life – there is a job to fit most people so do come and talk to us if you would like to do your bit in keeping your local community shop as the great village asset it is. Free tea and coffee whilst on shift and very often cake too thanks to the wonderful Ivor.

IDE PRIMARY SCHOOL

On Thursday, the 31st of March Ide Primary School planted a silver birch tree this has been dedicated for the Queen's Platinum Jubilee as part of the Queen's canopy. The children had a special assembly and sang a beautiful song about the silver birch.

The children have watered the tree and will watch it flourish and grow over the coming years.

Thank you to all involved.

Sunday, 29 th May	11am Joint Service at Shillingford
Sunday, 5 th June	10am Songs of Praise on the Village Green

On Good Friday we had a Devotional Service with the large wooden cross at the front of the church – a red robe over one of its arms and a crown of thorns on it. During the Service on Easter Sunday this same cross (minus the red robe and crown of thorns) was covered with bunches of Spring flowers to remind us of Jesus' resurrection from the dead and the promise of a new life after death. At the end of the Service the cross was put outside the church and people were invited to help themselves to the bunches of flowers (and some chocolates).

Our thanks to Vron who took the Easter Sunday Service and to all who made up bunches of flowers and contributed in so many ways.

Ide Village Fete – Saturday, 4th June, from 1.30pm on the Village Green

This is one of the main events of the Queen's Platinum Jubilee and will include a Tea Party at 3pm. There is competition for a **Platinum Jubilee Cake** bring your cake to the Fete by 1.30pm with your name and baker's details.

The afternoon will start with the **Dog Show** at 1.30pm, the cakes will then be judged at 2.30pm, followed by the tea at 3pm, when we can eat the cakes! There will be several stalls and activities – egg throwing and tug-o-war - a bar and BBQ. From 5.30 onwards there will be live music. We hope it will be a fine weekend and look forward to seeing you there.

Help during the Saturday morning with the erection of gazebos, putting round bunting, etc. is always appreciated.

Sunday, 5th June – at 10am we plan to have **Songs of Praise on the Village Green** instead of our usual Service in church.

IDE MEMORIAL HALL

Annual General Meeting - This will take place on **Wednesday, 4th May, in the Hall at 7.30pm.** This meeting is open to everyone so why not come and hear how your hall is run.

The hall has a Management Committee which is made up of members from village organisations, including the Parish Council. Ide Memorial Hall is a registered charity and submits details of its annual accounts to the Charity Commission.

During the last few years the hall has been completely refurbished with a new kitchen and toilets – the wall on that side having been tanked to get rid of the damp – the old stage was removed – the heating and lighting systems modernised – and a new floor fitted. Last year acoustic panels were fitted to improve the sound quality and in the last few weeks a pull down screen has been fitted and 50 new chairs purchased.

On the south facing roof of the hall the Community Shop paid for solar panels to be installed and the hall receives a regular income from the shop for these panels. The hall is pleased to be of service to the shop storing the ice-cream freezer during the winter months and, on occasions, providing extra fridge and freezer space when the shop runs out of space.

If you would like to book the hall, please contact Carol Whitehart on 01392 213608. The cost is £8 per hour during the daytime and £10 per hour from 6pm. There is a flat rate of £25 for children's parties.

SW IN BLOOM COMPETITION

Boom “The Bloom” is Back!

After the fun and success (not to mention the lovely comments and enthusiasm) of last year I’ve nervously re-entered Ide into the SW in Bloom competition.

This year the RHS will not only be awarding points for community and horticulture but will also be looking at environment and sustainability. I’m super excited about this and have already started to grow some of the flower seeds from the seed swap in some blooming marvellous peat free compost!

It would be lovely to get as many people involved right from the start. There’s already mention of red, white, and blue for the jubilee celebrations... please get in touch if you’d like to get involved or take on a part of the village to plant and water.

Happy Blooming
Paula (07970 960789)

JUBILEE CLUB

On March 21st we were able to celebrate our postponed Christmas lunch at the Devon Motel where we were made very welcome and served an excellent meal. This was subsidised, thanks to a kind donation to the club by Enid Hoskin.

There were happy faces on April 4th when Sue brought a group of Ide Schoolchildren to entertain us. What a joy it was to hear their enthusiasm as they sang. Their songs included "There's a Local Fred in the flowerbed", a sad song about a problem we all have over the lost socks, then a tricky

one when they had to sing the alphabet backwards. We were invited to join in but thought it was best left to the children! Posies of flowers were given out before the children returned to school.

There was a special mention, Peggy's birthday, because she is always remembering all our birthdays.

DIARY DATES

- May 2nd An outing when we go cruising on the Tiverton Canal. 10.45
The bottom of Dunsford Hill, 10.50 at the top of the Hill, 11.00 at Ide
and 11.10 at Alphington.
- May 16th We celebrate our 45th birthday with a party. Entertainment by a
ukulele band.
- June 13th A talk: Royal Flower Traditions through the Years and
demonstration by Tina Young.
- June 27th Strawberry Tea at Longdown. Jean Hoskin

All welcome.

IDE OPEN GARDENS Sunday, 19th June

On Sunday June 19th Ide Open Gardens will return. It's a chance for people to enjoy a day wandering around some of the lovely gardens we have the village - and enjoy a bit of tea and cake along the way.

If you would like to take part, then we'd be delighted to hear from you. Details are to be confirmed, but participants opened their gardens between 10.00am and 4.00pm last time (2017!). Proceeds from tickets sales will go to support local projects.

What made it such a success last time was the range of gardens available to visit - people love the variety. Whether you have a kitchen garden, informal, higgledy - piggledy, allotment etc - you are very welcome! It's up to you too if you are happy - or not - to have dogs too. Some people sold tea and cake or offered plants for sale - but there's no expectation.

So if you think you'd like to take part, then please let me know - my email is markdthomas@live.co.uk - or give me a call on 07748 148017.

Mark

PLASTIC PACKAGING

Thank you Richard Reardon for your interesting article in the March edition of the *Ide Times*, regarding your packaging free January, which set me thinking. Being one of the older generation I can remember the days before plastic when other materials were used and wondered if we couldn't return to some of those.

Cornflakes were packaged in greaseproof paper inside the cardboard box. This greaseproof was always kept and used to line cake tins. I am pleased that even today flour and sugar are sold in paper packaging. Both of these items need to be kept dry and I am therefore surprised that paper is not used for the packaging of the various sorts of pasta and rice. Milk, of course, was delivered to our doorsteps in bottles and the empties went back to the dairy to be washed and re-used. Likewise the Corona man came round with soft drinks in bottles, which again were returned for washing and re-use. Bread was unwrapped, whilst cakes and buns were put into a paper bag.

A visit to the sweet shop meant choosing from an array of large glass jars and the purchase of a quarter of a pound of sweets, which were shaken out into a paper bag. Today's hygiene standards wouldn't allow that to happen, but it probably helped our own immune systems.

A lot of today's packaging is aimed at tempting us to buy more – chocolate bars are wrapped in plastic and then six or more bars wrapped in a further layer of plastic. The same thing happens to crisps. Beautifully decorated cakes are carefully packaged in pretty boxes so that they are undamaged when we get home. We now eat yoghurt and other delicacies which are packaged in plastic pots, whereas cream used to be sold in cardboard pots.

Today our shops tempt us with a vast array of foods from around the world, beautifully packaged and fresh, even ready-made meals. The invention of plastic has made a huge difference to our lives, it is just a pity that no-one has really got to grips with getting it to decompose.

I don't think Richard and family would want to go back to pre-plastic days. Especially as hardly anyone had cars then! It was women who did the shopping – walking to the local shops or taking the bus – carrying the shopping home or loading it onto the pram. I wouldn't want to go back to that way of life!

WEST TOWN FARM NEWS

Last week there was excitement on the farm when the first swallows returned. They always bring joy as they swoop up and down the yard scoping out barns for their familiar nesting sites. These kind of events remind us of why we farm the way we do, working with nature, providing homes and habitat for all kinds of plants and animals.

Drama came in a different form too. We had to call the vet when a cow was having trouble calving. Turns out she had a twisted uterus. Katie asked for all hands on deck so that we could roll the cow which usually works. Unfortunately after 3 rolls (no easy task, a cow is very heavy and understandably distressed) the decision was taken to perform a C-section in the barn. This is a big operation and the prognosis for the cow was not optimistic but at least the calf might be alive. After nail biting minutes a bull calf was pulled out and with plenty of encouragement started breathing. The vet was amazing, working quickly in low light. She stitched up the wound with a big curved needle, first the muscle layers and then the skin. She administered antibiotics and we hoped for the best. Happily despite the qualms, the cow was licking her calf within seconds and as I write this she is recuperating in the old orchard and both are doing well. We have named the calf Caesar.

Our handmade 100% grass fed beef burgers are now for sale in the farm shop. Our brilliant volunteers did sterling work with Andy and Grace in the farm kitchen. We have both regular and chilli burgers available and they are delicious. Come get them!

Keep an eye out for bell tents opening for the season. These will be available to hire out. Come fully kitted out! Great for visiting families and friends in the Ide area.
