4. COUNTY AND DISTRICT COUNCILLORS' REPORTS: Councillor Connett reported that DCC were looking at a £30 million overspend in the current financial year, mainly due to increased energy costs and social care funding. This is expected to rise to 70 million next year and DCC are awaiting the Government statement on funding due later this month

The following report from Councillor Andy Swain (TDC) was read out by Councillor Ervine

"The Task and finish group which I chaired, looking for ways to improve enforcement in Teignbridge will make its final report to Overview and Scrutiny next week. I will be happy to circulate the report to parishes if it is approved. I would like to thank all the parishes for responding to the investigation.

Unfortunately, the backlog continues to be a problem. I have, today contacted officers about the round-field enforcement. It does seem to me that this industrial use in a location so explicitly protected from that use in the local plan should be an open and shut case for refusal. I have shared that view with the officer"
