

Grant Application Form for Voluntary Organisations

(S137 Local Government Act 1972)

The Parish Council can spend money under s137 LGA 1972 where:

- it does not have a statutory power elsewhere;
- the grant request is made on behalf of a voluntary body (including registered charities); and
- the grant will benefit the community, or any inhabitants of Ide Under S137, there is **no power** to award a grant to an individual.

Grants will be available from the 1st April each year and applications will be considered on a three monthly basis. Only one grant can be given to the same applicant in any one financial year.

Ide Parish Council has set aside a grant budget of £500 per year if funds allow. Organisations are invited to apply for grant funding and each application is considered and discussed by the Parish Council to determine the level of funding awarded.

Ide Parish Council, within the limitation of the resources available, wishes to support voluntary organisations that are engaged in helping those who live in the Parish. The Council will therefore consider offering grant aid to those bodies who meet the following criteria:

- The services, facilities and/or activities for which the grant is sought, are wholly or mainly benefitting the residents of Ide.
- There is a need in Ide for the specific services, facilities and/or activities.
- The organisation is a registered charity or “not for profit” organisation.
- The organisation has financial need which will be assisted by the grant sought or without which the services, facilities and/or activities could not be provided or could be provided at a much reduced level.
- The organisation actively encourages disadvantaged groups in the Ide community to make use of the services, facilities and/or activities provided.

Written notification of the Council decision will be sent to the applicant. If successful the cheque will be sent as soon as practicable afterwards, with a feedback form for completion at the end of the project or by the end of the financial year (31st March), whichever is sooner. This procedure is to satisfy our auditors about how the grant was spent and who benefitted.

Completed forms should be returned, with a copy of the organisation’s most recent accounts and balance sheet (if accounts are not available, a forecast or budget will suffice) to:
